ITINERARY

Boston

Fly from the UK on one of our daily Virgin Atlantic direct services to Boston. As well as quaint cobbled streets, historic brownstone houses and colonial history, this waterfront city also has a modern edge where you'll find glass-enclosed shopping galleries, eclectic eateries and a distinct European vibe.

Whether you're a sports fan or not, no trip to Boston is complete without a Red Sox game. As one of the oldest cities in America, you'll find a wealth of significant historic sites and buildings. And did you know you can even go whale watching? Visit May-October for an experience of a lifetime. Boston is so easily accessible by foot; you will not need a hire car for this part of your stay. Make sure you collect this on the day you check-out to minimise parking costs, and then you can head for Cape Cod!

Cape Cod

Just over an hour's drive from the city of Boston, with historic lighthouses and stunning vistas, Cape Cod joins the USA's list of best seaside spots. Aside from top seafood and whale watching tours, ferry cruises to Martha's Vineyard and the dune-fringed beaches of Nantucket make for a top-notch coastal escape.

New York City

About a 5-hour drive from Cape Cod is New York City, a place that needs no introduction. But if it did, we couldn't go without mentioning good ol' Lady Liberty, world-famous Broadway theatres and the breath-taking Central Park. Spend an idyllic city break amongst skyscrapers and unbeatable shopping - you'll feel like you've just stepped into your favourite movie! Discover everything the big city has to offer during this part of your road trip. We recommend a stay in Westin New York Times Square where, as a VAH customer, you'll receive a \$20.00 Target Gift Card just for showing up, plus some other exclusive benefits too!

Depart New York City

Depart from JFK at whatever time of day you wish, on one of our many daily Virgin Atlantic direct services from New York to the UK. Alternatively, why not fly onwards to another US city such as Washington DC?
