## ITINERARY

### **Los Angeles**

Fly to Los Angeles, the 'City of Angels'. Head for North Hollywood, where you will enter the world of glitz and glam, it's everything you ever imagined it would be. Here, everyone's a rockstar! We recommend a stay in The Garland in North Hollywood, opened by legendary Hollywood actress Beverly Garland in 1972. This hotel has great transportation links to the rest of the city, the Metro line is just a 10-minute walk from the hotel, so you can be strolling along the Hollywood walk of fame in no time!

For those looking for a bit of adventure try one of the cities many theme parks such as Universal Studios, Disneyland California, or Knott's Berry Farm. If you're headed for Anaheim to see the main man, Mickey Mouse, we recommend a stay in the Sheraton Park Hotel.

### **San Diego**

With near perfect weather year-round, 70 miles of spectacular coastline, world-class attractions and a thriving urban core, complete with a sophisticated art, dining and nightlife scene, San Diego has earned the name California's beach city. Explore San Diego's diverse coastal, urban and inland neighbourhoods, each with its own flavour. Don't miss sampling the areas signature Cali Baja cuisine or tasting one of the hundreds of craft beers and wines bottled in the region. After a day at the beach or other outdoor adventure, head to the party downtown at one of the sizzling nightclubs or rooftop bars. If art and culture is your passion, you'll find an exciting hub of creativity in San Diego. It's hard to find a better destination for families. Whether you love engaging with animals or thrill rides, building sandcastles or beach bonfires, there's plenty to entertain the entire family from sunrise to sunset.

### **Palm Springs**

Continue your journey onto Palm Springs. This ultimate desert playground nestled at the base of the majestic San Jacinto Mountains offers the perfect blend of outdoor entertainment and casual relaxation. Take time this evening to dine in one of the many excellent restaurants in downtown Palm Springs or escape the heat and ride the aerial tramway high up above the desert floor for panoramic views of the Coachella Valley.

### **Los Angeles**

Arrive back to Los Angeles and spend as little or as long as you like seeing all the bits of LA that you didn't fit in on the first leg of your trip... Or alternatively, do it all again! There's so much to see and do in Los Angeles, we really wouldn't blame you for going anywhere twice.

### **Depart Los Angeles**

Return your hire car to the airport prior to your flight back to the UK. Alternatively, why not fly onwards to another US city such as Las Vegas or New York before returning home.
